## Basic Driver Course

### HIGH CHALLENGE LOW RISK ENVIRONMENT

#### Performance

This course provides greater insight into the safe operation of UTVs and ATVs. You will learn how to familiarize yourself with your vehicle, navigate various terrains, perform emergency stops and evasive maneuvers, and practice environmental stewardship.

#### Experience

This course provides approximately three hours of driving time on a closed range. After each exercise, there will be discussions to help you expand on the driving skills and strategies you've learned.

#### Requirements

All students must hold a valid driver's license, and have completed the [ROHVA E-Course](#) prior to their arrival. Attendees need to bring their own UTV and PPE.
